

POWER UP THE FUTURE

The RDMR Fuel Energy Story

A smarter way to enter the
EV charging opportunity

One Opportunity. **Your Choice.**

A New Beginning

Welcome to RDMR Fuel Energy, Rahul. We're offering a chance to enter the booming EV charging space with zero daily hassle. Best of all, investments start from just ₹5 Lakhs.

I'm interested, but I don't want to disturb my existing business. What are my options?

Your Land. Your Future.

Our first model is **My Land, My Machine**. If you have the land, you can own the entire EV station. It's perfect for starting a brand-new business line with the highest possible returns.

Ideal for
full ownership and
maximum profit.

YOUR LAND. OUR MACHINE. **STEADY INCOME.**

The illustration depicts a man in a grey blazer and khaki pants gesturing towards a new RD MR Fuel Energy station being installed in a vacant lot. Two workers in blue uniforms with 'RD MR FUEL ENERGY PVT. LTD.' on the back are working on the station. In the background, a city skyline is visible. In the foreground, the same man is shown in a blue suit, holding a 'MONTHLY RENT' agreement from 'RD MR FUEL ENERGY PVT. LTD.' which specifies a fixed monthly lease. A speech bubble from the man in the suit explains the 'My Land, Your Machine' program.

Don't want to buy the equipment?
